\$100,000 & Above	\$150	\$140	\$50	\$125	\$225	\$140	\$63	\$63

Household Income is all income of the client, plus any spouse income or family income of dependent children upon which the client is relying upon for support. Income includes earned income, alimony, child support, disability or distributions from trusts or other assets.

PSI fees listed here are for Peer Support Individual.
